STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that January 11, 2015 while exercising my duties as a law
 officer in the federal District of NM

While driving on US Highway 180 through the Gila National Forest in a fully marked Law Enforcement patrol vehicle, I observed a brown Ford pickup rapidly approach my vehicle from behind. The brown Ford pickup began 'tailgating' my vehicle for approximately 4 miles on US 180, which is characterized by winding curves and steep mountain grades, and passed my vehicle and a civilian vehicle in front of me around a curve on a double-yellow line in a careless and reckless manner. Due to the wet road conditions, tailgating and high rate of speed of the brown Ford pickup I believed the driver presented an immediate threat to the lives of the public and myself on the highway. I attempted to stop the brown Ford pickup by activating all emergency equipment on my vehicle and began following the brown Ford pickup which was travelling in excess of 70 mph in a posted 55 mph zone. The brown Ford pickup slowed to approximately 65 mph, but refused to pull over, even though the road shoulder at that part of US 180 is very wide and clear. I continued following the brown Ford pickup for approximately 1 and a half miles on US 180, along a stretch of the highway which is straight, flat and has multiple safe locations to pull off. The brown Ford pickup stopped near a Catron County Sheriff's Office patrol vehicle and I notified Catron County Sheriff's Office dispatch that I had stopped a brown Ford pickup bearing New Mexico license plate # MJF 514. I contacted the driver, who initially refused to identify himself and stated "You have no authority to pull me over." The driver was identified by New Mexico driver license #500462825 as Alvinbrent LANEY of Luna, NM. LANEY was issued a Violation Notice for 36 CFR 261.54F, Operating a vehicle carelessly, recklessly, or without regard for the rights or safety of other persons or in a manner or at a speed that would endanger or be likely to endanger any person or property.

The foregoing statement is based upon:

MY PERSONAL OBSERVATION

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
